Webelos Resident Camp

Three Falls has been delivering an outstanding Webelos program for two decades. We have fully updated our program to incorporate the 2015 Cub Scout advancement changes. Your Webelos Scouts will have the opportunity to work on several Webelos and Arrow of Light Core and Elective Adventures — plus all the fun and excitement that's always been a part of the Camp Three Falls summer experience!

Of course, one of the most important elements to building lasting memories at camp is the staff. Our staff is universally praised by campers as “enthusiastic... engaging... and there for the boys...” Many members of our 2016 staff are returning next year, and they look forward to providing your scouts with all the fun and camaraderie that marks a superior summer camp!

All of us at Camp Three Falls are committed to providing exciting program; top-quality advancement work; leader instruction, and the best food you'll find at any summer camp in southern California. Be a part of our success, and let us help you build lifelong memories of a terrific camp experience.

Camp Three Falls is located about 15 miles southwest of Frazier Park in the Lockwood Valley in northern Ventura County. Our camp is at an elevation of 5400 feet, at the base of Mt. Pinos, and is surrounded by the Los Padres National Forest. Typical daytime highs are 80 to 90 degrees. Overnight lows are typically in the 40s and 50s.
